09 APRIL 2018

Where has the month gone?

For those who were at the meeting, you heard an ‘off the cuff’ report (again).

Both 23ACU ATA (Adventure Training Award) participants enjoyed their week in Canberra. They were 2 of 173 Cadets from each State, Territory and New Zealand who attended for the week. The weather was fantastic and all, but 3 participants passed and were awarded their badge. Activities included repelling off Campbell Towers, constructing a floatation device for your syndicate to paddle out onto Lake Burley Griffiths, around the small island and back, safely, navigation and working with people you have never seen before. A wonderful opportunity.

The current process for bringing in new members has changed dramatically. It has now gone from years to within, 2 weeks. It is amazing how having SOMEONE in the chair, achieves success. Who would have thought?

23ACU is again known as C Coy for AFX and we will be with 213ACU – Cronulla Sutherland, 218ACU – Campbelltown and for the first time during my involvement with Cadets.....233ACU – St George! Planning is already underway and not just the Cadets are happy, so too are the Staff.

See you all for ANZAC Day.

Regards
