Autumn is in the air!

As predicted, February was a terribly busy month and there has been a steady trickle of interested teens coming to try Army Cadets. Each week has seen 2-3 new Recruits. Even 218ACU Campbelltown, has had some new Recruits join us.

23ACU has enrolled 15 Recruits, 3 awaiting to finish their enrolment and another 2 to come this week.

The February TEWT (Training Exercise Without Troops) went well with 10 Cadets participating. They were evenly split between 21ACU – Penrith and 23ACU – Camden. We hope that the next one will have some participants also from 218ACU – Campbelltown.

Last month, NSW AAC BDE conducted their OC Conference at Richmond. Whilst there were not as many attendees, due to COVID 19 concerns, there were still 100 members participating. It was not as eventful as previous years, but it is always good to catch up with other ACS from around the state.

The unit building large windows have been tinted. What a difference this has made to the look, noise, and temperature in the building. I should have thought of it a LONG time ago.

Studley Park has advised that they will be refurbishing their function area and we are unable to hold our Formal Dinner there this year. So now the hunt begins to find another suitable location.

See you all again next month!
