MOB: 0420 722 931 - RSL REPORT

10 August 2020

Well Winter is upon us!!

23ACU has submitted our Activity Approval Request for Return to Parade, Face to Face training for the rest of 2020. The document is now with the Brigadier for approving. He is currently reviewing all the Return to Parade paperwork for all the Army Cadet Units, throughout Australia. A mammoth task and a wait for us.

Since last months' report, 23ACU has moved to 25 Battalion. They are located, in Cowra. How this will work or affect 23ACU is yet to be determined. This is going to be a work in progress as COVID 19 has had an additional impact to the program. Back to the Corp values, Respect, Initiative, Teamwork and Courage. Adapt and overcome will be the way forward.

Last Thursday night, 23ACU conducted an Informal, Formal Dinner via Zoom. All the Cadets were invited to the one session and we shared either our dinner, desert, or a snack as we chatted, laughed, and discussed how it would be conducted in 'normal times'. Speeches were had and toasts of soft drinks were made. At the conclusion, the Cadets held a Kahoot game. This is a game conducted via the computer and mobile phone. The Senior Cadets had 20 questions and the other Cadets had to choose one of the 4 answers by using their phone. The questions were Military themed and there were a few 23ACU specific. All the Cadets had a great time with lots of laughs.

23ACU will begin Recruiting again at the start of Term 4, Thursday 15 October 2020. Hopefully, we will be back, parading at the unit.

Wishing you all well and missing those not at the meeting tonight.
