12 October 2020

Welcome to another month,

What a month it has been. 23ACU returned with Face to Face Parading. We had 2 fantastic weeks with the Cadets outside the entire night, crawling first in long grass and then in short grass. All 28 had a great time! After months of inside Zooming, they were thrilled. Then... COVID 19 came to Camden.

Suspension of Cadets occurred last Thursday 08 October. This time it was too close to home and not enough information was available. By the next afternoon we could have paraded but it was too late to switch back on. We will parade again this Thursday 15 October 2020.

The Leadership Promotion courses were conducted by Zoom. I am unable to report too much as all the practical components are yet to be assessed. From what I can ascertain, 23ACU all performed well and completed the challenging week of theory, from home, via electronic devices. Final Record of Achievements will be presented once everything has been assessed.

23ACU has put in an Activity Application for a Unit BIV in early November. Let us hope that COVID 19 passes quickly, and we will be permitted to proceed. So much effort in preparing, to be dashed so suddenly is frustrating.

There are currently, still expressions of interest filtering through for the program and all are encouraged to reapply in January 2021 for the commencement of the new year.

Enjoy the month ahead in good health!
