MOB: 0420 722 931 - RSL REPORT

13 September 2020

Welcome to Spring and another report,

Whispers have it that 23ACU maybe returning to face to face parading very soon. For this to occur a “dress rehearsal” must be conducted with someone from NSW Brigade in attendance. We are to demonstrate that we have processes and procedures in place to conduct a COVID 19 safe environment. There has been a lot of paperwork and patience for this to occur. The Cadets and staff are very keen to get back in person.

At the end of this month the Leadership Promotion courses will be conducted by Zoom. This is a great opportunity using modern technology. The Cadets sit at home in uniform and attend a virtual classroom with other Cadets from across the state. How this will work, I have not idea, but have faith that the Cadets will gain new skills and make new friendships.

23ACU has nominated 4 Lance Corporals to attend the Corporal course and 6 Cadet Corporals for the Sergeants course. It is hopeful in the new term; they will have the opportunity to demonstrate their new skills. This ideally will be in location, face to face at the unit parade nights.

With the delay in return to parade 23ACU will be Recruiting now in early February 2021. I currently have list of interested teens to contact after Christmas. Overly exciting times ahead with lots of new adaptations on how to deliver the program.

Hop you all well and missing those not at the meeting tonight.
