SAVE THE DATE!

Club Menangle invites you to save the date Tuesday 31st October 2017 for our Beersheba Day Breakfast to commemorate the centenary of the history changing Australian Light Horse charge that occurred on that day in 1917 and the unveiling of the Beersheba Centenary wall.

Armed with sheer bloody audacity 800 ANZACS defeated 4,000 Turks against the most fearful odds, and liberated the wells of Beersheba. This remarkable and decisive victory unlocked the Turkish stranglehold of the Desert Campaign, turned the tide of WWI in the Middle East and created the Legend of the Australian Light Horse.

Within a month of the charge, ANZAC troops had entered Jerusalem, and following a 6 week battle liberated it from 400 years of Ottoman rule and opened the way for the Modern State of Israel to be established.

Menangle Park was a training ground and camp for the Australian Light horse. From here many young riders, bonded to their trusty Walers, would leave our shores for the battle lines not realising the magnitude of their destiny. It is to these gallant men and their steeds that we wish to pay tribute.

The Beersheba Day Breakfast commemorative service will reflect on the battle as we highlight the importance of preserving the history, tradition and customs of Light Horse Regiments for future generations. Club Menangle is also proud to be involved in the formation of the 7th Light Horse Regiment Menangle Historical Troop and they will present their activities and role in the community.

Dress code is business attire with medals.

Tuesday 31st October 2017, 6.45am start at Club Menangle, Racecourse Ave, Menangle Park. \$45 per head full buffet breakfast, or table of 10 for \$400

For reservations, table bookings and enquiries please email info@clubmenangle.com.au or call the office on 02 4645 2200
