MONDAY 13 FEBRUARY 2017

Happy Valentine's Day for tomorrow,

What a month it has been since last meeting. I hope that you all have managed to stay COOL. Thank goodness that there were no Cadet Activities conducted where I was involved!

23BN however did conduct a Nomination for ATA (Adventure Training Activity) this last weekend, 11-12 Feb 17. Yes, the weekend just gone by!! 23ACU had 2 attendees. One being a participant and the other wishing to be a staff/mentor for the real ATA in April at Majura, ACT. I have not heard all the details but I did not receive a call to collect them because they have dropped out.

Since last meeting we have had 2 weeks of Recruit intakes. There have been 9 confirmed Recruits with a couple more to come this week. This will push my numbers close to the ceiling of 60, but there will be a few Cadets who leave at the end of the term, in early April. There are a lot of new processes and procedures to enroll a Cadet, my head is spinning.

23BN has held their first Conference 2 weeks ago. As it is at present I again, will be Company Commander. This time for Charlie Company with Cadet units, 22/29ACU Holsworthy and 213ACU Cronulla/Sutherland. Planning will be underway soon, after NSW BDE Conference in at the end of the month.

Until then stay COOL and healthy.

Regards from
Mary-Anne Mariotto
